MEMORANDUM FOR: All FBIS Employees

FROM:

Director, Foreign Broadcast Information Service

SUBJECT: 1986 Combined Federal Campaign

1. On behalf of the Combined Federal Campaign, let me thank everyone both here and overseas who contributed to the 1986 campaign. With your efforts and generous support, FBIS will help "Give Somebody a Chance." The continued generosity of FBIS people is reflected in the CFC total we contributed and pledged of \$17,192.50. We also contributed \$1,560.00 to the Educational Aid Fund and \$1,036.00 to the Public Service Aid Society for a grand total of \$19,788.50.

2. FBIS was 52% over its monetary goal for 1986, and 11% over last year's contribution. We were first this year in contributions by the offices of our directorate. Overall, 45% of FBIS employees contributed. The average contribution of FBIS Headquarters employees was more than \$100.

3. Again, on behalf of the Combined Federal Campaign and the people it supports, thank you for your generous and continued support.
